

NT KOR - Rigwash Multipurpose Rigwash Cleaner

Description

: It is a safe yet powerful multipurpose cleaner which contains superior surfactants and additives for effective cleaning of oil, drill mud, muck etc. stubborn soils from washable surfaces.

Application

: Can be used for dip, spray, swab as well as scrub applications.

Features and Benefits

: Non - irritant to human skin.
APEO free, Eco-friendly and Non - Toxic
Contains corrosion inhibitors to provide temporary rust protection after cleaning.
Can also be used for cleaning of tools made of Iron, Steel as well as Non - Ferrous Metals, derricks, stairways, rigging equipments, platforms, bare or painted metals, concrete etc.
Can be used for removing grease from clothes like dungarees by soak application.

Packing

30 litre Pail, 205 Litre Barrels

Recommendation

- 1 Add NTKOR - Rigwash to water for preparation of solution.
- 2 Concentration of the solution and processing time depends upon type and amount of contaminants to be removed.
- 3 Concentration control is recommended by titration method as removed oil can modify the concentration reading, if checked with refractrometer.

Storage

To be stored in ambient temperature without exposure to open sun/rain to prevent evaporation / contamination. To be used within 12 months from the date of manufacturing. Do not transfer used product into container containing unused material.
